We had a successful property cleanup and "Rock Soup" on Saturday March 21st. Unfortunately because of Governor Kate Brown's executive order all campgrounds in the state are closed. The campground section of the Governors order is shown next:

May 2020

Outdoor Recreation and Travel

18. Pursuant to the powers vested in me by ORS 433.441(3), ORS 401.168(1) and (3), and ORS 401.188(1) to (3), I hereby order all private and public campgrounds to be closed immediately. This order does not prohibit camp hosts or veterans from remaining in state campgrounds, nor does it extend to RV parks and other housing.

We are included in that order, so for now our **Tillamook Campground is closed until further notice.**

In General please **Stay Home and Stay Safe** as much as you possibly can.
Thanks, Neil Miller

Here is a bit of Good News:

After fishing for a half hour with Tony Cop, new member Deanne Haisch managed to land a great looking 18 pound fish.

Per Tony Cop, both the Swan Island and Cathedral Park boat ramps are open. Pretty nice way to get a workout and maintain social distancing Deanne.
