Sportsmen's Show

Another year has passed and so has this year's Sportsman's Show. Like every year, our club has once again stepped up and made the trout pond a huge success. I am sure we will have made lasting memories for thousands of young kids!

There are several groups that I would like to give a special thank you to. This includes our set up / tear down crew. They did an amazing job setting up the booth before the show and tearing it down after the show. Another group are those who worked the booth during the show. Due to their tireless efforts selling Annual Scholarship and Rifle drawing tickets I hear this year may be one of the best years for both! We should also thank Rick Nishimura and Krista Miller for the delicious food they made for all of us to enjoy.

Jill Domingo and her students from Woodland also deserve a huge thanks. Jill's students are required each year to put in community service hours as part of their curriculum. She offered them the chance to come help and several jumped at the offer. On top of that, several of the students actually put in more hours than they needed and even brought friends from other schools that didn't even have community service hour requirements!

Finally I would like to thank Bill Koepke. Bill not only was at the trout pond all 5 days almost open to close but also helped set up, tear down, and help transport the booth backdrop to and from the club property in Tillamook.

Thanks, Derek Miller

And here is an additional big Thank You to **Baxter Auto Parts** who has sponsored the Trout Pond at the show for many years.
